

Research Source Inventory

Campaign planning · FIFA World Cup 2026 · current export behaviour

#	METHOD	VENDOR	ADDRESS	DEMOGRAPHICS	SAMPLE	WINDOW	SPEND	OUTPUT	OWNER	NOTES
1	Survey	Kantar	Adults 18-34	US	1,200	Apr-May 2026	\$18K	Deck + data	J. Reynolds	Quant survey covering fandom depth and viewing intent for the World Cup. Weighted to census benchmarks and fielded in two waves to track shift ahead of kickoff.
2	Social listening	Brandwatch	Sports fans	Global	n/a	Jan-Jun 2026	\$9K	Sentiment report	T. Nguyen	Ongoing listening stream tracking brand mentions and competitor share of voice. Sentiment scoring flagged rising negativity around ticketing that the team should monitor closely.
3	Expert interviews	Independent consultants	Category experts	US/UK	8	Mar 2026	\$12K	Synthesis memo	M. Ortiz	One-on-one interviews with sponsorship and media strategists to stress-test the activation concept. Findings informed the revised channel mix and pacing plan for Q3.
4	Secondary research	Nielsen / GWI	General population	Global	n/a	Ongoing	\$6K	Slide summary	K. Park	Desk research synthesizing existing syndicated data on streaming habits and major event viewership trends. Used to validate assumptions before commissioning primary research.
