

Deliverables Tracker

Campaign planning · FIFA World Cup 2026 · Exported July 27, 2026

#	DELIVERABLE	OWNER	DUE	STATUS
1	Trends report (60 pp)	M. Ortiz	W6	In progress
2	Trend matrix (1 pg)	J. Reyes	W5	In progress
3	Case-study deck (15 slides)	T. Nguyen	W6	Not started
4	Recommendations memo	K. Park	W6	Not started
5	Stakeholder readout	M. Ortiz	W7	Scheduled

#	METHOD	VENDOR / SOURCE	AUDIENCE	GEOGRAPHY	SAMPLE	WINDOW	SPEND	OUTPUT	OWNER
1	Survey	Kantar	Adults 18-34	US	1,200	Apr-May 2026	\$18K	Deck + data	J. Reyes
NOTES	Quant survey covering fandom depth and viewing intent for the World Cup. Weighted to census benchmarks and fielded in two waves to track shift ahead of kickoff.								
2	Social listening	Brandwatch	Sports fans	Global	n/a	Jan-Jun 2026	\$9K	Sentiment report	T. Nguyen
NOTES	Ongoing listening stream tracking brand mentions and competitor share of voice. Sentiment scoring flagged rising negativity around ticketing that the team should monitor closely.								
3	Expert interviews	Independent consultants	Category experts	US/UK	8	Mar 2026	\$12K	Synthesis memo	M. Ortiz
NOTES	One-on-one interviews with sponsorship and media strategists to stress-test the activation concept. Findings informed the revised channel mix and pacing plan for Q3.								
4	Secondary research	Nielsen / GWI	General population	Global	n/a	Ongoing	\$6K	Slide summary	K. Park
NOTES	Desk research synthesizing existing syndicated data on streaming habits and major event viewership trends. Used to validate assumptions before commissioning primary research.								
5	Survey	Kantar	Adults 18-34	US	1,200	Apr-May 2026	\$18K	Deck + data	J. Reyes
NOTES	Quant survey covering fandom depth and viewing intent for the World Cup. Weighted to census benchmarks and fielded in two waves to track shift ahead of kickoff.

MEDIA PLAN — FLIGHT SCHEDULE — CONTINUED (2 OF 2)

#	CHANNEL	PLACEMENT	PRIMARY KPI	OWNER
1	Connected TV	Roku / Hulu	Reach	J. Reyes

NOTES Front-loaded against the group stage with a hard pacing cap in the fortnight before kickoff to avoid competing with rights-holder inventory at peak price.

2	Social video	TikTok / Reels	Video views	T. Nguyen
---	--------------	----------------	-------------	-----------

NOTES Always-on across the tournament window with creative refreshed every ten days to hold frequency without fatigue on the core audience.

3	Online video	YouTube	Completed views	M. Ortiz
---	--------------	---------	-----------------	----------

NOTES Carries the hero film in full and the cutdowns against match-highlight adjacency, with exclusions applied to user-generated re-uploads.

4	Audio	Spotify / podcast	Frequency	K. Park
---	-------	-------------------	-----------	---------

NOTES Host-read placements on the three highest-affinity football podcasts, scheduled to land the week each host market plays its opening fixture.

5	Out of home	Host-city DOOH	Awareness	J. Reyes
---	-------------	----------------	-----------	----------

NOTES Concentrated within a two-mile radius of the eleven US host venues and dayparted to matchday arrival and departure windows only.
